

Byford Health Hub Community Advisory Group Seeking Expressions of Interest

Please apply to be part of an exciting opportunity to shape the future Byford Health Hub and services available in your local area.

Join our advisory group

Construction of the Byford Health Hub is underway and it's timely to recruit more members to our Community Advisory Group (CAG).

Do you want to make a difference in your community?

If interested, you will have opportunities to participate face-to-face and virtually, with the likelihood of **three** meetings per year and other involvement, as required. You will be reimbursed for your time.

Your role will be to:

- Provide advice on consumer needs for the Hub, based on your knowledge and experience as a health care consumer and/or local resident and your understanding of the Byford community.
- Consider the views and issues affecting the Byford community which will be important considerations as part of the Hub planning.
- Provide advice and identify opportunities to consult with the community, including identified community groups to gauge their views on relevant issues.
- Provide community/consumer input to other Hub advisory and working groups as required.

We are looking for people:

- Over the age of 18 and passionate about health and health-related issues
- Living in the Byford/Serpentine-Jarrahdale area and/or have extensive networks in the area
- Willing to share your own personal knowledge and experiences as a health and social care consumer
- Able to reflect the needs and interests of the community and consumers you represent
- Able to communicate, engage and collaborate with a range of stakeholders
- Able to work collaboratively (including seeking broader consumer and community views if required by the Committee)
- Able to attend meetings as required.

About the Hub

The State Government is building the Hub, close to the new Metronet train station and behind Coles supermarket, to support the region's rapidly growing population with a mix of health and social services under the one roof.

Earthworks are now underway on the construction site.
