Hospital Hotline is a patient request program on Noongar Radio based in Perth that helps Aboriginal people staying in our hospital keep connected to family, friends and the community.

Tune in every **Tuesday morning** on 100.9 FM from **10am to 11am** and send your song requests to Noongar Radio by texting 0448 821 186.

East Metropolitan Health Service (EMHS) has a range of programs specifically designed for the Aboriginal community.

This is just one of the many Aboriginal health programs EMHS has to offer.
